July 8th, 2004

about me

My name is Leonor, I'm a Portuguese student born and raised in Lisbon. I'm a 20 year old woman always committed to delivering results. With a focus on continuous learning and problem-solving, I enjoy getting out of my comfort zone where I can learn new things and apply my skills to achieve successful outcomes.

personal values

Dedication
Curiosity
Creativity
Innovation
Responsibility

interests

My interests besides art and design vary between reading, motor-sports (Formula 1 mainly), listening to music and hanging out with my friends and family, of course.

education

curricular vitae - 2024

- 2020 - 2022 **Highschool - arts specialized**
Salesianos de Lisboa
Campo de Ourique, Lisboa, Portugal
- 2022 - now **Bachelor in Global Design**
IADE, Creative University
Lisboa, Portugal

experience

- 2022 **Desisto - print and media studio**
Graphic design - (for college)
Design and printing of posters for a campaign supporting mental health disorders for **Centro Hospitalar e Universitário de Coimbra** (hospital).
→ Learned how a print and media studio works (RISO printing) with a very positive feedback from the client.
- 2023 **Vogue Portugal Magazine**
Product design - (for college)
I took part in a contest organized by **Vogue Portugal** where I had to design a shower gel bottle to be sold with the magazine.
→ Got to work with 3D modeling and understand the whole printing process for labels.
ColorADD
Product design - (for college)
Recreation of an already existing board game but with the implementation of the **ColorADD system**, created to help colorblind people distinguish colors, with the guidance and feedback of the system's creator.
→ Very positive remarks from the creator and got the chance to know more about inclusive design.
- 2024 **Erasmus+ BIP**
Code University
Berlin
Erasmus+ project in Berlin consisting on developing a project during one week, with "Content with Content" as a theme. The aim was to explore how content creation molds interpersonal relationships and with technology. I got the chance to work with students from **IADE (Portugal)**, **Technical University Eindhoven (Netherlands)**, **Elisava School of Engineering and Design (Spain)** and **CODE University of Applied Sciences (Germany)**.
→ Got the chance to interact with different cultures and ways of thinking, enhancing abilities like problem-solving. The result and evaluation was extremely positive and enriching from an academic perspective, as well as at a personal development level.
Agrobeja Produção Agrícola
Branding
Design of a logo for a Portuguese agricultural company.
→ My first contact with working with design outside of college. I got the chance to experience the corporate environment while developing a project.
Agrobeja, SA
Magazine Ad
Design of an advertisement for **Agrobeja, SA** that was featured in the "País Económico" magazine, May edition for 2024.
→ I was able to get more experience when working with real clients and their needs. From the initial briefing phase, until the final result, I was constantly learning. I also got to see, for the first time, a work of mine on the market.

volunteering

Banco Alimentar

I volunteered for **Banco Alimentar** in Portugal. This organization gathers food for homeless people and families that need help.
